

IVS Membership Application Form:

 **Analysis Coordinator**

Analysis Coordinator Name:

Parent/funding Organization:

Contact Information:

IVS/VLBI Experience:

Analysis work and interests:

Explain briefly how you propose to perform each of the following duties of the Analysis Coordinator:

- **Stimulate VLBI product development and delivery:**

A large, empty rectangular box with a black border, intended for the user to provide a response to the first duty.

- **Foster comparisons of results:**

A large, empty rectangular box with a black border, intended for the user to provide a response to the second duty.

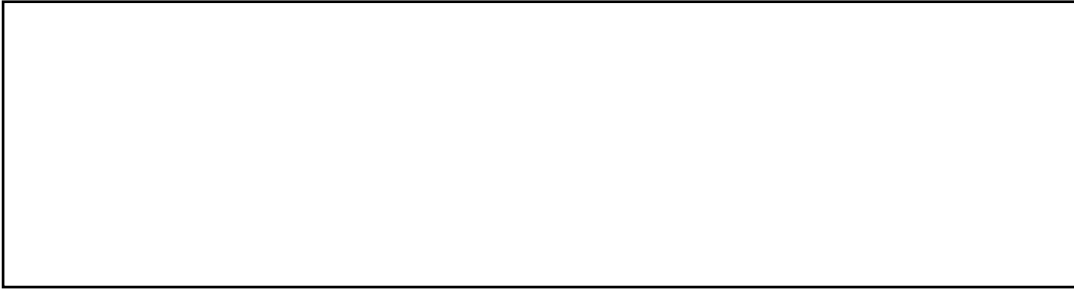

- **Encourage analysis software documentation:**

A large, empty rectangular box with a black border, intended for the user to provide a response to the third duty.

- **Monitor IVS Analysis Center products for quality and standards:**

A large, empty rectangular box with a black border, intended for the user to provide a response to the fourth duty.

- **Ensure product archiving and availability:**

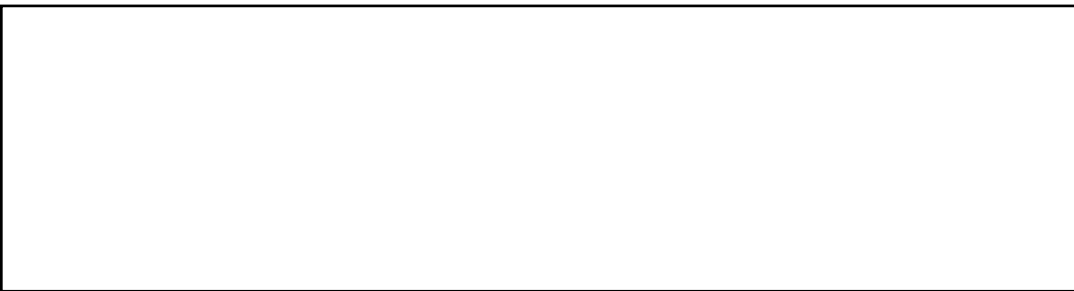

A large, empty rectangular box with a black border, intended for the user to provide a response to the first bullet point.

- **Supervise the formation of the official IVS products:**

A large, empty rectangular box with a black border, intended for the user to provide a response to the second bullet point.

Describe how you propose to do each of the following:

- **Coordinate the IVS analysis activities:**

A large, empty rectangular box with a black border, intended for the user to provide a response to the third bullet point.

- **Work with the geodetic and astronomical communities:**

A large, empty rectangular box with a black border, intended for the user to provide a response to the fourth bullet point.

- **Promote the use of VLBI products to the broader scientific community:**

- **Work closely with the IVS Combination Center, GGOS, and the IERS:**

Please provide any other information that you feel will be helpful in demonstrating your capabilities to participate in the IVS as its Analysis Coordinator:

☐

Please attach a resume for the proposed IVS Analysis Coordinator.

The form should be signed by an official committing the organization(s) to sponsor the IVS Analysis Coordinator. This form should also be signed by the proposed Analysis Coordinator, committing himself/herself to participate in the IVS as the Analysis Coordinator, to support the IVS Analysis Centers, and to work closely with the IVS Coordinating Center.
